Even in cases in which a student requests a class change in order to meet the requirements of their home university's credit transfer policy, students may not move up or down in level without the teacher's permission. To ensure that students can study in an environment that maximizes their learning, they must take classes that are appropriate to their level.  
Class offering is a subject to a sufficient number of participants with similar level of Japanese Language proficiency.

Japanese Language Class Level Description	
Introductory*	<ul style="list-style-type: none"> <li>No previous study</li> <li>Able to read Hiragana and Katakana before arrival in Japan</li> </ul> <small>* The Introductory class will be available for only RSJP2 and RWJP, not for RSJP1. * Minimum number of participants for this class is 10. When a minimum number of participant is not achieved, the Introductory class will not be offered.</small>

**【Placement Test】**  
Participants will be placed into classes depending on the information given in their application and essay written in Japanese. On the first day of Japanese Language Class, they will take a placement test in the class.

**【Attendance & Transcript】**  
Each student will be required to attend more than 2/3 of the classes to receive a transcript. After successful completion of the program, Ritsumeikan University will post a certified academic transcript to your home address in your country one month after the last day of the program. If the transcript needs to be sent directly to your home university, you will need to make a request beforehand.
