◆ SHORT ESSAY

Due: Saturday, November 25, 2018 **rsjprwjp@st.ritsumei.ac.jp**

（Name: ）

In order to give us an idea of your language proficiency, please **hand-write two short essays in Japanese** on the following topics, without enlisting the help of another person. One essay should be about Topic #1, and the other should be about Topic #2 or #3. Topics #2 and #3 are for advanced level students, so if you find them too difficult, you do not have to write them.

Topic #1. What would you like to do in Japan? （Please write at least 200 characters）

Topic #2. How is Japan understood or seen in your country? Please explain using examples. (Please write about 300 characters)

Topic #3. What kind of things about your country would you like to tell to Japanese people? Please write in detail. (Please write about 300 characters)

Note:

1. This essay will not affect the outcome of your application for the Program.
2. You may use a dictionary, but make sure that you complete an essay within 30 minutes.
3. You are required to write essays on your own without any help from translation websites and/or anyone else. The purpose of this is to place you to certain level of Japanese class. This does not directly affect the acceptance of the program.
